PERSONAL STATEMENT

I am a dedicated Software Engineering student passionate about building responsive and user-friendly web applications. With hands-on experience in JavaScript, HTML, CSS, and Node.js, I enjoy transforming ideas into functional digital solutions. I value teamwork, creativity, and continuous learning, and I am eager to contribute to innovative projects that drive impact through technology.

EDUCATION

Refactory Academy - Kampala, Uganda (2025 - 2026)

Certificate in Software Engineering (JavaScript Track)

St. Matia Mulumba Secondary School - Kungu (2023 - 2024)
